

Drink, Drink, Drink

Robert Diggs

Ein zwei drei vier
Lift your stein and drink your beer
Ein zwei drei vier
Lift your stein and drink your beer Drink, drink, drink
To eyes that are bright as stars when they're shining on me
Drink, drink, drink
To lips that are red and sweet as the fruit on the tree Here's a hope that those bright eyes will shine
Lovingly, longingly soon into mine
May those lips that are red and sweet
Tonight with joy my own lips meet Drink, drink, let the toast start
May young hearts never part
Drink, drink, drink
Let every true lover salute his sweetheart Drink, drink, drink
To arms that are white and warm as a rose in the sun
Drink, drink, drink
To hearts that will love one, only when I am the one Here's a hope that those soft arms will twine
Tenderly, trustingly soon around mine
All I ask is the right to see
Those smiling eyes beguiling me Drink, drink, let the toast start
May young hearts never part
Drink, drink, drink
Let every true lover salute his sweetheart, let's drink Drink, drink, drink
To eyes that are bright as stars when they're shining on me
Drink, drink, drink
To lips that are red and sweet as the fruit on the tree Here's a hope that those soft arms will twine
Tenderly, trustingly soon around mine
All I ask is a right to see
Those smiling eyes beguiling me Drink, drink, let the toast start
May young hearts never part
Drink, drink, drink
Let every true lover salute his sweetheart, let's drink
