

Lucky You (feat. Rey Osburn)

Deftones

They'll come soon
I keep waiting, and I wait
Won't somebody save me And if you're feeling lucky
Come and take me home
And if you feel loved
If you feel lucky
If you feel loved
If you feel lucky
If you feel loved You've crossed the walls, excelled
Further along through their hell
All for my heart, I watch you kill
You always have, you always will
Now spread your wings and sail out to me
Now spread your wings and sail out to me So if you're feeling lucky...come and take me home
Come and take me home
Come and take me home
Come and take me home
Come and take me home Yeah, if you feel love
(If you feel lucky
If you feel loved)
(If you feel lucky
If you feel loved)
(If you feel lucky
If you feel loved)
(If you feel lucky
If you feel loved)
(If you feel lucky
If you feel loved)
(If you feel lucky
If you feel loved)
(If you feel loved) Crossed the walls, excelled
Further along through their hell
For my heart
I watch you kill
You always have
You always will You always have and always will
You always have
You always will
Spread your wings and sail out to me
