

Run It

Fitz & The Tantrums

I been chasing empty spaces
To hold a piece of you
But you ain't waiting, am I fading?
Is there nothing I can do? And babe if I change
Could you find faith
It's a blind shame, in my room So please come back, stay
It's a black day
Since you gone, chase after you I said you run it, run it
Yeah you run it, run it
Yeah you run it, run it
There you go
I said you run it, run it
Oh, you run it, run it
No, I shouldn't have done it
Now I know I said you run it, run it
Yeah you run it, run it
Yeah you run it, run it
There you go
I said you run it, run it
Oh, you run it, run it
No, I shouldn't have done it
Now I know Tell me are you lonely when you find another piece of me?
'Cause I don't blame you
Tell me, it's true
I'm still the one you need And babe if I change
Could you find faith
It's a blind shame, I believe So please come back, stay
It's a black day
Since you gone, I'm on my knees I said you run it, run it
Yeah you run it, run it
Yeah you run it, run it
There you go
I said you run it, run it
Oh, you run it, run it
No, I shouldn't have done it
Now I know, oh oh There you go
Now I know, oh I can't change
All these bad days
It's a damn shame in my skin

And maybe someday you'll forgive me
And you'll love me once again I said you run it, run it
Yeah you run it, run it
Yeah you run it, run it
There you go
I said you run it, run it
Oh, you run it, run it
No, I shouldn't have done it
Now I know I said you run it, run it
Yeah you run it, run it
Yeah you run it, run it
There you go
I said you run it, run it
Oh, you run it, run it
No, I shouldn't have done it
Now I know There you go
Now I know, oh
