

Distance

Distance, I'll keep my distance
These things I never seem to mean
So, I'll leave the murder scene
Honey, what got broken
Won't go back together again
So, I'll leave this while I can
Hhhmmm
Hhhmmm
Hhhmmm
Hhhmmm
Nothing to be scared of
My dreams, they keep a hold of me
My guide when I can't see
Call, I will be there
I'm sure you're passing the test
I wish you all the best
Hhhmmm
Hhhmmm
Hhhmmm
