

Gigi

Dean Martin

Gigi, am I a fool without a mind
Or have I merely been too blind to realize
Oh, Gigi
Why you've been growing up before my very eyesGigi
You're not at all that funny awkward little girl I knew
Oh, no
Overnight there's been a breathless change in youOh Gigi
While you were trembling on the brink
Was I out yonder somewhere blinking at a starOh Gigi, have I been standing up too close or back too far
When did your sparkle turn to fire
And your warmth become desire
Oh, what miracle has made you the way you areGigi
While you were trembling on the brink
Was I out yonder somewhere blinking at a starOh Gigi, have I been standing up too close or back too far
When did your sparkle turn to fire
And your warmth become desire
Oh, what miracle has made you the way you are
