

What Would Dolly Do?

Kristin Chenoweth

Caught you in the saddle with some Jolene
Looks like she lost a battle with Maybelline
I got an open mind but 3-ways ain't my scene
I may not be from Tennessee but you know
I got a lot of Dolly in me

And there's a Smokey Mountain law that says thou shalt not cheat So take your truck and shove it

I know how much you love it

And it's a good thing

Cause that's where you're moving to
I'm gonna pull that wig down off the shelf
Go high heels up with someone else

Cause I ask myself

What would Dolly Do?

W-W-Double-D, W-W-Double-D, W-W-Double-D Say where'd you find ole bumper lips

She should could use some beauty tips

And I could fix her up for good with my two fists

You're lucky I'm still taking meds

Cause I'd burn this house down 'round your head

I could shoot you too

But I'll pray for you instead So take your truck and shove it

I know how much you love it

And it's a good thing

Cause that's where you're moving to
I'm gonna pull that wig down off the shelf
Go high heels up with someone else

Cause I ask myself

What would Dolly Do?

W-W-Double-D, W-W-Double-D, W-W-Double-D Should I make my hair a little taller?

Should I make my waist a little smaller?

Wanna pick up the phone and call her right now

Right now Take your truck and shove it

I know how much you love it

And it's a good thing

Cause that's where you're moving to
I'm gonna pull that wig down off the shelf
Go high heels up with someone else

Cause I ask myself

What would Dolly Do? Well I may look just like Barbie 2

But this ain't my first barbeque

The question is
What would Dolly Do?
W-W-Double-D, W-W-Double-D, W-W-Double-D
W-W-Double, W-W-Double, W-W-Double-D
