Yeaah

Yeaah

Yeaah

Hahahahahahahahaha

Zero and zero is nothin' but zero

Cancer and people conspire together

Runnin' and runnin' and going forever

Collected and sampled, starvin' for zero

Come see my cage, built in my grave

Come see my cage, built in my grave

Come see my cage, built in my grave

Come see my cage, built in my grave, yeah

Yeaah

Yeaah

Yeaah

Yeaah haha

Huu

Minus the inside and minus the circle

Inhabit the riddle and fill in the hovel

Wherein and herein, between us and near us

Zero and zero is nothin' but zero

Come see my cage, built in my grave

Come see my cage, built in my grave

Come see my cage, built in my grave

Come see my cage, built in my grave, yeah

Yeaah

Yeaah

Yeaah

Yeaah
