Contigo

Sonny Flame

It's summer time and di gal dem looking fine
Sonny Flame a go make dem wineBaby darling blaze up di party, cuz your body's moving so naughty
Baby darling blaze up di party, blaze up di party, blaze up di partyContigo siento la vibracion
Esta noche bailamos mi corazon
Deseando tu cuerpo y tu calor
Centro de mi almaIt's going down baby come over,
Esta noche you gotta come over
It's going down baby come over, baby come over, baby come overBaby darling blaze up di party, cuz your body's moving so naughty
Baby darling blaze up di party, blaze up di party, blaze up di partyContigo siento la vibracion
Esta noche bailamos mi corazon
Deseando tu cuerpo y tu calor
Centro de mi almaGo down, baby wiggle it down!
Stop teasing, I'm from Down Town
Go down! Baby wiggle it down, wiggle it down, wiggle it down!Esta noche bailando
Eres el centro de mi alma
Tu y yo soniando
Quiero tenerte en mi cama
Dale o me dale quiero ver si ea es dale
Nena dale porque valle
O me dale o me dale o me dale dale
