

# All For Good

Adrienne Young

It's just one more day out of my life  
Gone for good, gone for good  
I keep turning over in my mind  
Did I get it right, right this time?Worry's only ever in your mind  
In mine all the time  
What I'd give to be a bird in flight  
Rapid climb, natural linePlain as day, choices madeWhy can't I let go? I'll always wonder  
All this surrounds me. Why do I hunger?  
I am a river, forever changing  
Struggle is perfect. All that is here is for goodWhat has happened to the days when I  
Would wake and smile like a child?  
Every day a precious open book  
Yet another chance I always tookBut as I watch my complications rise  
I realize, I decide  
Simple slow and easy is the flow  
That moves with grace, this I knowChoices made, plain as dayWhy can't I let go? I'll always wonder  
All this surrounds me. Why do I hunger?  
I am a river, forever changing  
Struggle is perfect, all that is here is for goodNow as I let go I sit in wonder  
If all this surrounds me, I question my hunger  
I am a river, forever changing so  
Struggle is perfect and all that is here is for good
