

I Don't Wanna Be Lovin' You

Tank

Hey you what's up
I've been peepin' your style
Since we have been kicking it for a while
Seems as if you just don't trip no more
Like you could do without so what are you still here for
I don't wanna be lovin' you
If you don't wanna be lovin' me
I don't wanna be feelin' you
If you really ain't feelin' me
I don't wanna be lovin' you
If you don't wanna be lovin' me
I don't wanna be feelin' you
If you really ain't feelin' me, ain't feelin' me
No, hi, no, bye
You come and go as you please
No kiss, no smile
I don't deserve these things
I don't have no time to waste
'Cause on the really real
You can be replaced
I don't wanna be lovin' you
If you don't wanna be lovin' me
I don't wanna be feelin' you
If you really ain't feelin' me
I don't wanna be lovin' you
If you don't wanna be lovin' me
I don't wanna be feelin' you
If you really ain't feelin' me
Oh I just wanna know what's going on
Don't get stuck her all alone
What you gonna do
'Cause I can find something better to do
'Cause I don't wanna be
I don't wanna be lovin' you
If you don't wanna be lovin' me
I don't wanna be feelin' you
If you really ain't feelin' me
I don't wanna be lovin' you
If you don't wanna be lovin' me

I don't wanna be feelin' you
If you really ain't feelin' me
I don't wanna be lovin' you
If you don't wanna be lovin' me
I don't wanna be feelin' you
If you really ain't feelin' me
I don't wanna be lovin' you
If you don't wanna be lovin' me
I don't wanna be feelin' you
If you really ain't feelin' me, if ain't feelin' me
Oh, no, no, I don't wanna be sittin' here lovin' you
And you don't wanna be lovin' me
That's all, that's all folks
