World To Me

Ruff Endz

Listen girl,
It's plain to see that you're the one.
Every moment I'm without you, I fall.
Cause everything you say and do,
It always comes straight from the heart,
And there's no mistaking,
You make me the best I can be.
They can keep the stars and mountains and seas.

You are the world to me.
You are the world to me.
For all the rest of my life,
And heaven can see,
You are the world to me.

I'm better off when you light the way.
It doesn't matter if there's no move at all.
The reason I, live everyday,
Oh, I felt the home in your heart,
And it makes no difference,
The rivers can run where they please.
They can keep the stars and mountains and seas.
Cause you are the world to me, baby.

You are the world to me.
You are the world to me.
For all the rest of my life,
And heaven can see,
You are the world to me.

I can't control it.
I've got to show it.
How can I let go,
When I'm holding the world in my hands.
I know this feeling,
Is all I need, babe.
You make me complete,
You're the world to me.

You are the world to me.

You are the world to me.
For all the rest of my life,
And heaven can see,
You are the world to me.

You are the world to me.
You are the world to me.
For all the rest of my life,
And heaven can see,
You are the world to me.
