

Fields Of Gold (featuring Eva Cassidy)

Michael Bolton

You'll remember me when the west wind moves
Among the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold So she took her love for to gaze awhile
Among the fields of barley
In his arms she fell as her hair came down
Among the fields of gold Will you stay with me? Will you be my love?
Among the fields of barley
And you can tell the sun in his jealous sky
When we walked in fields of gold I never made promises lightly
And there have been some that I've broken
But I swear in the days still left
We will walk in fields of gold
We'll walk in fields of gold I never made promises lightly
And there have been some that I've broken
But I swear in the days still left
We will walk in fields of gold
We'll walk in fields of gold Many years have passed
Since those summer days
Among the fields of barley
See the children run as the sun goes down
As you lie in fields of gold You'll remember me when the west wind moves
Among the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold
When we walked in fields of gold
When we walked in fields of gold
