Mest

Well, I know I've let you down
And I guess I won't be seeing you around
I don't know what to say
I didn't mean to fuck up in this way
And now I'm all alone
Because I'm back on my own
Just give me one more chance
This time I swear, it'll be my last
I miss you tonight, I made up my mind
I shouldn't have acted that way
I miss you tonight, I made up my mind
'Cuz you were the one, you were always fun
But I got scared, pretending not to care
I don't know what to say
I think I know why you look this way
It was something that I said
Because it's still running through my head
And then I saw you yesterday and maybe there's a way

That you'll come back with me to stay
I miss you tonight, I made up my mind
I shouldn't have acted that way
I miss you tonight, made up my mind
'Cuz you were the one, you were always fun
I got scared, pretending not to care
I miss you tonight, I made up my mind
'Cuz you were the one, you were always fun
I got scared, pretending not to care
And I miss you tonight, I made up my mind
I shouldn't have acted that way
I miss you tonight, I made up my mind
I shouldn't have acted that way
I miss you tonight, I made up my mind
'Cuz you were the one, you were always fun
I got scared, pretending not to care
