

Lost In You

Dirty Loops

There's a shadow hanging over me (Hah)
As I'm caught up in a make believe
 I'm lost in you
 I'm lost in you
 Stuck within
I can't get through Your way
 Your smile
 The traces on my mind
 Denied
 Defied
 Oh, oh, oh
 I'm on the verge
 My blessing and my curse
Keeps getting worse Said I'll stop a thousand times
 Still I'm giving into this desire
 What I seek can not be found
As I sense that something is taken control of me
I sense that There's a shadow hanging over me (Hah)
As I'm caught up in a make believe
 I'm lost in you
 I'm lost in you
 Stuck within
I can't get through There's a shadow hanging over me (Hah)
As I'm caught up in a make believe
 I'm lost in you
 I'm lost in you
 Stuck within
I can't get through My common good
 I'd grasp it if I could
 Reclaim
 Remain
 I failed to see
 What's taking over me
Entirely Said I'd leave a million times
 Still I am Giving in to this desire
 Lying shackled to the ground
As I sense that something is taken control of me
I sense that There's a shadow hanging over me (Hah)
As I'm caught up in a make believe

I'm lost in you
I'm lost in you
Stuck within
I can't get throughThere's a shadow hanging over me(Hah)
As I'm caught up in a make believe
I'm lost in you
I'm lost in you
Stuck within
I can't get throughWhat I seek can not be found
As I sense that something is taken control of me
I sense thatThere's a shadow hanging over me (Hah)
As I'm caught up in a make believe
I'm lost in you
I'm lost in you
Stuck within
I can't get throughThere's a shadow hanging over me(Hah)
As I'm caught up in a make believe
I'm lost in you
I'm lost in you
Stuck within
I can't get throughThere's a shadow hanging over me(Hah)
As I'm caught up in a make believe
I'm lost in you
I'm lost in you
Stuck within
I can't get through
