Destroyer

The Kinks

Met a girl called Lola and I took her back to my place
Feelin' guilty, feelin' scared, hidden cameras everywhere
Stop! hold on. stay in control

Girl, I want, you here with me
But I'm really not as cool as I'd like to be
Cause there's a red, under my bed
And there's a little yellow man in my head
And there's a true, blue, inside of me
That keeps stoppin' me, touchin' ya, watchin' ya, lovin' ya

Paranoia, need destroyer. Paranoia, they destroy ya'

Well I fell asleep, then I woke feelin' kinda' queer
Lola looked at me and said ooh you look so weird
She said man, there's really something wrong with you
One day you're gonna' self-destruct
You're up, get down, I'll come work you out
You get a good thing goin' then you blow yourself out

Silly boy ya' self-destroyer. Silly boy ya' self-destroyer

Silly boy you got so much to live for
So much to aim for, so much to try for
You blow it all with, paranoia
You're so insecure you, self-destroyer

(and it goes like this, here it goes) paranoia, they destroy ya
(here it goes again) paranoia, they destroy ya

Dr. Dr. help her please I know you'll understand
There's a time device inside of me I'm a self-destructin' man
There's a red, under my bed
And there's a little green man in my head
And said you're not goin' crazy, you're just a bit sad
Cause there's a man in ya, knawin' ya, tearin' ya, in to to

Silly boy ya' self-destroyer. paranoia, they destroy ya'

Self-destroyer, wreck your health

Destroy friends, destroy yourself
The time device of, self-destruction
Lies, confusion, start eruption

(yea, it goes like this, here it goes) paranoia, they destroy ya
(here's to paranoia) paranoia, they destroy ya
(hey hey, here it goes) paranoia, they destroy ya
(and it goes like this)

Paranoia, they destroy ya (and it goes like this)
