

My, My, My

Rob Thomas

The light from the window is fading
You turn on the night
The sound from the avenue's calling you
Open your eyes And when you find you're spending your time
Wanting for words but never speak
You tell yourself that the things you need come slow
But inside you just don't know My, my, my
Let your bright light shine
Let your words live on
Far beyond this life
Beyond this life Hold on to anything
Everything's over and done
Has the fear taken over you
Tell me is that what you want
To make up your life Time after time you're falling behind
Hold on to me, never leave
Forever be what you mean to me right now
Don't you feel better now
