

Surf Colorado

Bowling for Soup

I saw you there, your long brown hair
Falling on your face, the way it used to fall on mine
At one time, a long time ago
I still remember everything you said to me that night It's too bad and it's too late
You were such a big mistake
Please, don't call me anymore
I used to miss you There's no surf in Colorado anyway
And it's a shame to hear you're happy
And you still look at me that way
There's no surf in Colorado anyway, yeah
She never waved at me or said "Good-bye"
One night, she just left me and her behind There she goes and no one knows
What she does to my heart, still, she'll never know
How we speak across the room
Eye to eye, she's holding him, holding me soon It's too bad and it's too late
Was it such a big mistake?
You don't call me anymore
And I still miss you There's no surf in Colorado anyway
And it's a shame to hear you're happy
And you still look at me that way
There's no surf in Colorado anyway, yeah
She never waved at me or said "Good bye"
One night, she just left me and her behind Remember the first time, goddamn, we got so high
She held me so close that I thought that I might break
And now she's a mile high and I'm on Texas time
She traded rattlesnakes for bunny runs in Colorado Springs Yeah, there's no surf in Colorado anyway
And it's a shame to hear you're happy
And you still look at me that way
There's no surf in Colorado anyway, yeah
She never waved at me or said "Good-bye"
One night, she just left me and her behind
