

Youthquake

She's 39, but she still looks young  
 Not very young, but a lot of fun  
 She's my 39 lady in the sun  
 49 and I'm feelin' fine  
 In the sun that's a lot of fun  
 Drinkin' mai tais, kickin' back with my flip-flops on  
 I'm wearin' socks and my toe is tight  
 I think about her every damn night  
 39 year-old lady, she looks pretty good to me  
 I'm 49, drinkin' white wine  
 Not goin' out with no 19 year-old chickities no more  
 From now on I got my 39 year-old whore  
 Oh!  
 Don't you call her a whore  
 I'll fuckin' tear your esophagus out  
 She's sweet and she's getting old  
 And she's mine, to have and to hold  
 She needs a dentist appointment quick  
 I pay for it and she sucka my dick  
 When we text each other, I fiddle with my anus  
 I stick the finger in it!  
 Then I fuckin' didariddly doo  
 And I fuckin' gots to spew  
 Upon my belly, dripped upon my shoe  
  
 Get me a tissue  
 Chardonnay in the setting sun  
 She's 39, but she's number one  
 Get the apartment just right, she's comin' over tonight  
 I like it cause I don't feel scared  
 She's 39, I'm in my underwear  
 Here she comes, comin' down the hallway  
 She's knockin' on my door!  
 I open the door  
 There she is, not too bad, good enough  
 39 year-old lady, young enough for me  
 Boobies droopin', but she's good enough for me  
 Trimmed her pussy hairs, good enough for me  
 Mature woman, she's my lady

Uh huh, uh huh, ooh yeah  
She ain't gonna be fuckin' around with no other guys  
Nanananah-nah, she's mine, she's my special lady  
Special lady  
We can see a fuckin' movie  
And agree it's a total piece of shit  
Comfortable shoes, never lose  
We can fuckin' talk about some things  
She don't need no diamond rings  
She don't need no diamond rings
