

# Don't Wake Me

## Skillet

I went to bed I was thinking about You  
I ain't the same since I'm living without You  
All the memories are getting colder  
All the things that I wanna do over  
I went to bed I was thinking about You  
I wanna talk and laugh like we used to  
When I see You in my dreams at night  
It's so real but it's in my mind  
And now I guess this is as good as it gets  
Don't wake me 'cause I don't wanna leave this dream  
Don't wake me 'cause I never seem to stay asleep enough  
When it's you I'm dreaming of I don't wanna wake up  
I went to bed I was thinking about You  
And how it felt when I finally found You  
It's like a movie playing over in my head  
Don't wanna look 'cause I know how it ends  
All the words that I said that I wouldn't say  
All the promises I made that I wouldn't break  
It's last call, last song, last dance 'cause  
I can't get you back, can't get a second chance  
And now I guess this is as good as it gets

Don't wake me 'cause I don't wanna leave this dream  
Don't wake me 'cause I never seem to stay asleep enough  
When it's you I'm dreaming of I don't wanna wake up  
Don't wake me we're together just You and me  
Don't wake me 'cause we're happy like we used to be  
I know I've gotta let You go but I don't wanna be alone  
These dreams of You keep on growing stronger  
It ain't a lot but it's all I have  
Nothing to do but keep sleeping longer  
Don't wanna stop 'cause I want You back  
Don't wake me 'cause I don't wanna leave this dream  
Don't wake me 'cause I never seem to stay asleep enough  
When it's you I'm dreaming of I don't wanna wake up  
Don't wake me we're together just You and me  
Don't wake me 'cause we're happy like we used to be  
I know I've gotta let You go but I don't wanna be alone  
I went to bed I was thinking about You

'Cause I don't wanna leave this dream  
It ain't the same since I'm living without You  
'Cause I never seem to stay asleep  
I know I've gotta let You go but I don't wanna wake up
