

# Song 4 Lovers (feat. Reverend Run from Run DMC)

## Liberty X

The drumbeats go like this  
Yo, yo  
Now once again, my friend it's the Reverend  
The first platinum status rap president  
And from the coast to California to the show the main,  
Got an east coast sound and my beats go bang  
My own black crown with my snickers got my name  
And I'm back yo, with my collar and cape  
Like a superhero armed with an old school tape  
It's the Rev, yo, you gots to believe There's a song for lovers you can hear all the time  
But you're like no other to me  
So I'm not gonna promise you a starry sky  
You just need to believe  
(Just need to believe) I take time for my rhyme and I climb but don't reach  
Hustling when we rustle and grime and rock beats  
And this is it what Another hit for the streets  
I got love for my people from queens to overseas  
Step into the room and then 'boom' the horns scream  
Rev's coming well and regal, I've got dreams  
Just like Martin Luther the King I might teach  
Rock a collar to the party after party going reach There's a song for lovers you can hear all the time  
(All the time)  
But you're like no other to me  
(Like no other, like no other)  
So I'm not gonna promise you a starry sky  
You just need to believe  
(You just need to believe) There's a song for lovers  
But you're like no other  
(Rev's coming well and regal, I've got dreams  
(Step into the room and then boom the horns scream)  
There's a song for lovers  
But you're like no other to me  
You just need to believe (I'll be your friend)  
If you say you love me  
(I won't let you down)  
If you say you really care  
(Hold out your hands)  
If you say you really want me  
(I will be there)

I promise I'll be there, oh, ohI promise  
I promise  
And then I promise  
I'll be thereThere's a song for lovers you can hear all the time  
(All, yeah)  
But you're like no other to me  
(Like no other, like no other)  
So I'm not gonna promise you a starry sky  
(Nothing but a starry sky)  
You just need to believeThere's a song for lovers you can hear all the time  
But you're like no other to me  
(Other to me)  
(Like no other, like no other)  
So I'm not gonna promise you a starry sky  
You just need to believe  
(Just need to believe)  
(You just need to believe)Faith is the substance of things hoped for  
(You just need to believe)  
The evidence of things not seen  
(You just need to believe)  
Your faith has made you whole  
(Yeah)
