

Take Me Back and Try Me One More Time

Merle Haggard

Yes I know I've been untrue
And I should have been good to you
But please have mercy on this heart of mine
Take me back and try me one more time If my darling you could see
Just what your leaving's done to me
You know that love is still the tie that binds
Take me back and try me one more time In my dreams I see your face
It seems there's someone in my place
But does he know that you were once just mine?
Take me back and try me one more time If you just forgive me now
I'll make it up to you somehow
I promise ne'er again be unkind
Take me back and try me one more time
