Born Again

Saint Motel

Well, there's no need to be nervous
I'm not dangerous anymore
Yeah, I cleaned up and found Jesus
And he's waiting at the door
Now here's a leaflet, try to read it
You have always been a friend
But when you see me next
Won't recognize the person that I amI'm born again
Get born, get born, get born again
Get born, get bornWell, there's no use trying to fight it
Cause you fought it long enough
It starts with lies and leads to hate and hate to sex and sex to drugs
Is the bad news for the sinners?
And the silence for the saints?
When you break it down, the two of us are really just the same
I'm born again
Get born, get born, get born again
Get born, get born, get born again
I died and saw the light, my friend
Get born, get born, get born, get bornGet born, get born again
Get born, get born again
Get born, get born again
Get born, get born again
(Get born again)
Get born, get born again
(Get born again)
Get born, get born again
Get born, get born again
(Get born again)
Yeah, well there's no need to be nervous
I'm not dangerous anymore
Well, there's no need to be nervous
I'm not dangerous anymore
Yeah, I cleaned up and found Jesus
And he's waiting at the door
Now here's a leaflet, try to read it
You have always been a friend
But when you see me next
You won't recognize the motherfucker that I amI'm born again

Get born, get born, get born again (oh yeah)
Get born, get born, get born again (I'm born again)
I died and saw the light, my friend (oh yeah)
Get born, get born, get born, get bornGet born, get born again
(Get born again)
Get born, get born again
Get born, get born again
(Get born again)
Get born, get born again
