

Window Shopper

50 Cent

Ohh!

The top feel so much better than the bottom

So much betterMan you's a window shopper

Mad at me, I think I know why

Man you's a window shopper

In the jewelry store lookin' at **it you can't buy

Man you's a window shopper

In the dealership tryna get a test drive

Man you's a window shopper

Mad as **** when you see me ride bySummertime, white Porsche Carrera is milky

I'm on the grind, let my paper stack but I'm filthy

It's funny how n***** get to screw facin' at me

Anyhow they ain't got the heart to get at meI'll get down, Southside's the hood that I come from

So I don't cruise through nobody 'hood without my gun

They know the kid ain't gon' for all that bull****

Try and stick me, I'ma let off a **** ****It ain't my fault you done f***** up your re-up

At the dice game who told you put a G up?

Everybody mad when they paper don't stack right

But when I come around y'all n***** better act rightWhen we got the tops down you can hear the systems
thump

When we rollin', rollin', rollin'

Shut ya block down, quick to put a hole in a chump

When we rollin', rollin', rollin'Man you's a window shopper

Mad at me, I think I know why

Man you's a window shopper

In the jewelry store lookin' at sh** you can't buy

Man you's a window shopper

In the dealership tryna get a test drive

Man you's a window shopper

Mad as f*** when you see me ride byLove me in L.A. as soon as I pop in

They come to scoop me up at L.A.X. and I hop in

Now when it comes to bad ***** you know I got them

Some from Long Beach, some from Watts and from ComptonYou know a n****a wanna see how Cali girls freak
off

After that five hour flight from New York

I start spittin' G at a b***** like a pimp mayne

Tell her, "Meet me at the Mondrian so we can do our thang"She can bring the lingerie with her, I suppose

Then we can go from fully dressed to just having no clothes

Then she can run and tell her best friend 'bout my sex game

Then her best friend could potentially be next, mayneListen mayne, **** changed, I came up I'm doin' my
thang

Homey I'm holdin', holdin', holdin'

Oh sh** mayne, the store owner watchin' you

Before somethin' get stolen, stolen, stolenMan you's a window shopper

Mad at me, I think I know why

Man you's a window shopper

In the jewelry store lookin' at sh** you can't buy

Man you's a window shopper

In the dealership tryna get a test drive

Man you's a window shopper

Mad as f*** when you see me ride by
