

Real Turned On

Uriah Heep

Girl, before you go now
There's one thing I wanted to do
That's get you to come back
Because I want to make love to you Got me real turned on
Yes, you have But there's something in your eyes
Telling me you have to go
Something in your eyes
But you're trying not to let it show Got me real turned on Next time you come over
I'll buy you a bottle of wine
Just take a little drink
And everything will turn out fine
Yes, it will Whoa baby, do you know
What I've got in mind
Can you guess what it is
Or do you want it on the line Got me real turned
Got me real turned
Got me real turned
Got me real turned on
