Twice

Little Dragon

Twice I turn my back on you
I fell flat on my face but didn't loose
Tell me where would I go
Tell me what led you on I'd love to know

Was it the blue night
Gone fragile
Was it both men
In wonder steady gone under
Was it the light ways
So frightening
Was it two wills
One mirror holding us dearer now

Thought I had an answer once
But your random ways swept me along
Colossal signs so I got lost
With so many lovers singing soft

Was it the blue night
Gone fragile
Was it both men
In wonder steady gone under
Was it the light ways
So frightening
Was it two wills
One mirror holding us dearer now
