

Close to Me (Closer Mix)

The Cure

I've waited hours for this
I've made myself so sick
I wish I'd stayed asleep today
I never thought this day would end
I never thought tonight could ever be
This close to me Just try to see in the dark
Just try to make it work
To feel the fear before you're here
I make the shapes come much too close
I pull my eyes out
Hold my breath
And wait until I shake But if I had your faith
Then I could make it safe and clean
If only I was sure
That my head on the door was a dream I've waited hours for this
I've made myself so sick
I wish I'd stayed asleep today
I never thought this day would end
I never thought tonight could ever be
This close to me
