

# Paddle Out (Ruff Mix)

## Sublime

I never thought that when I grew up I would be in a band  
And travel to all the best spots in the land  
And I'm not here to brag or boast  
I'm just here to tell you 'bout the spots that I love the most  
Natural bridges on a clean west swell  
Breaks over the reef like a bat out of hell  
Stockton Avenue gets hollow and mean  
And on a big day it works like a machine  
Outside Stockton gets hot like a glove  
Swift St., John's St. into Michell's Cove  
Big Steamer Lane makes you wish you were a trout  
When it's mackin' so hard only two dudes paddle out  
A huge summertime south swell hit when I'm in my  
hometown  
I'm a surfside boy, is where I can be found  
Up and down the coast  
Checkin' the spots that I love the most
