

Carry On

The Cranberries

I didn't understand
The things you're going through
I never understood
I really never knew Carry on, carry on
The sun will always shine
Carry on, carry on
We'll have a glass of wine or cigarette Take destiny by the hand
And lead it far away
Take it to another land
We will all decay Carry on, carry on
The sun will always shine
Carry on, carry on
We'll have a glass of wine or cigarette
