Published by goody two tunes, inc. - bmiOwwwww!Maybe it's the moonlight, somethin' doesn't feel right

Won't you come along with me, oh yeah

You know I'm not crazy, just a little lazy

Won't you take a chance, won't you come along with me

Oh yeah, yeah, oh yeahMaybe it's the moonlight, maybe it's the rock 'n' roll, oh yeah

Maybe it's the moonlight, maybe it's the rock 'n' roll, yeah

But I don't wanna be lonely

Don't wanna be shotdown, shotdown, no more, no more

I don't wanna be lonely

Don't wanna be be shotdown, be shotdownBaby what's your answer, there's somethin' that I'm after

Somethin' I can have for free, oh yeah

Tell me that it's alright, talk about your stage fright

Really got me uptight, baby what you want from me

Yeah, yeah, oh yeah (oh yeah)Maybe it's the moonlight, maybe it's the rock 'n' roll, oh yeah

Maybe it's the moonlight, maybe it's the rock 'n' roll, oh yeah

But I don't wanna be lonely

Don't wanna be shotdown no more, no more, no more

I don't wanna be lonely

Don't wanna be be shotdownHey youI don't wanna be lonely

Don't wanna be shotdown, shotdown, no more, no more

I don't wanna be lonely

Don't wanna be be shotdown

I don't wanna be lonely

Don't wanna be shotdown no more, no more, no more

I don't wanna be lonely

Don't wanna be be shotdown, be shotdown, be shotdown

Shotdown no more
