

Don't Get Lost In Heaven (Original Demo Version)

Gorillaz

Got off a plane to the countryside,
I drove to the mountain and holding the ground
There was crack on the corner and someone dead,
And fire coming out of the monkey's head

Don't get lost in heaven,
They got locks on the gate.
Don't go over the edge,
You'll make a big mistake.

Put me in a cab to suburbia,
I just took a line but I wasn't with ya,
There was more of it there, when I got back home
But you had left me, you don't know my soul
You're a homo, yeah, you're a homo

Don't get lost in heaven,
They got locks on the gate.
Don't go over edge,
You'll make a big mistake.

Ah
You'll make a big mistake.

Ah
You'll make a big mistake.

Ah
You'll make a big mistake.

Ah
You'll make a big mistake.

Ah
