

The Girl Can't Help It

The Animals

She can't help it, the girl can't help it
She can't help it, the girl can't help it If she walks by and the menfolks get engrossed
She can't help it, the girl can't help it
If she winks an eye and bread slices turn to toast
She can't help it, the girl can't help it
If she's got a lot of what they call the most
She can't help it, the girl can't help it The girl can't help It if she was born to please
She can't help it, the girl can't help it
And if she's got a figure made to squeeze
She can't help it, the girl can't help it
Won't you kindly be aware
The girl can't help it, the girl can't help it!
If she mesmerizes ev'ry mother's son
She can't help it, the girl can't help it
If she smiles and rare steaks become well done
She can't help it, the girl can't help it
If she makes grandpa feel like twenty one
She can't help it, the girl can't help it The Girl can't help it if she was born to please
She can't help it, the girl can't help it
And if I go to her on bended knees
She can't help it, the girl can't help it
Won't you kindly be aware, that I can't help it, I can't help it Because I'm hopin' obviously
That someday the answer will be
The girl can't help it if she's in love with me!
She can't help it, the girl can't help it If she walks by and the menfolks get engrossed
She can't help it, the girl can't help it
If she winks an eye and bread slices turn to toast
She can't help it, the girl can't help it
If she's got a lot of what they call the most
She can't help it, the girl can't help it The girl can't help It if she was born to please
She can't help it, the girl can't help it
And if she's got a figure made to squeeze
She can't help it, the girl can't help it I'm hopin' obviously
That someday the answer will be
The girl can't help it if she's in love with me!
She can't help it, the girl can't help it
