

Summer of '98 (Acoustic)

The Secret Handshake

I wrote some songs 'cause I love her
Then played some shows in the suburbs
It was the middle of summer in Texas I was feeling pretty good then
Everything worked out at school then
I was feeling like a champ in summer This, this could be the summer, the summer of love
And this, this could be the summer when I grow up I wanted to be just like him
He looked just like all the cool kids
I wanted to wear what he wore in summer I was feeling pretty good then
Everything worked out at school then
I was feeling like champ in summer Okay This, this could be the summer, the summer of love
And this, this could be the summer when I grow up
This, this could be the summer, the summer of love
And this, this could be the summer when I grow up It's never been like this, I am just starting over
It's never been like this, I am just starting over This, this could be the summer, the summer of love
And this, this could be the summer when I grow up
This, this could be the summer, the summer of love
And this, this could be the summer when I grow up
