

# Sea Castle

## Purity Ring

I could build a big machine  
Draw pictures for the walls  
Hang up all my fragile thoughts  
Display that you might see  
A space, a drop, a cloth  
A comfort of frailties in me  
A space, a drop, a cloth  
A comfort of frailtiesBaby, why don't you see, see my sea?  
Make slow, get inside and pull on my sea  
Get inside and build your castle in me

Get inside and pull on my seaTake time, make slow  
Where have I been? Why can't you see me?  
Take time, make slow  
Where have I been? Why can't you see me?I could push a house o'er  
Throw iron on the fire  
I can taste your vulnerable parts  
Slow so you will start  
To shut out what's destructed 'round you  
Look at me, I'm a sea, I'm your sea  
I'll shut out what's destructed 'round you  
Look at me, I'm a
