where?

beatboxbandit

I was wrong to think
I could ever trust in you
I was wrong to think
That you might want to trust me too
Here I am, here I am
Here I stand
Here I am, here I am, here I am
Here I stand
I was wrong to think
I could ever love in you
I was wrong to think
That you might want to love me too
Here I am, here I am
Here I stand
Here I am, here I am, here I am
Here I stand
So where the hell are you?
So where the hell are you?
So where are you when I need someone too?
And I'm tired of needing you
Here I am, here I am
Here I stand
Here I am, here I am, here I am
Here I stand
So where the hell are you?
So where the hell are you?
So where are you when I need someone too?
Well I'm tired of needing you
