

# Let's Dance Instead

## Madcon

I caught you smiling  
i know i've seen you here before  
howcum you're hiding?  
hey don'cha wanna hit the floor?  
the place is crowded  
or maybe you don't like the beat  
i got a two-track playing in my head  
so let me take you somewhere else instead  
(dancing in the sheets)  
grab your coat and wave goodbye to  
your friends  
i wanna take you where the night  
never ends  
i feel the need to sweep you offa your feet  
you and me, we should be dancing in  
the sheets  
(nothing ever beats)  
(lovers in the covers)  
We got the rhythm  
we've got the music on our side  
if we go with 'em  
i'll bet we'll have a wonderful ride  
your hands are cold  
so maybe we could make some heat  
love is always born on a chance  
so wrap around me and baby let's dance  
(dancing in the sheets)
