

# Nub

## The Jesus Lizard

So since the surgery, how's that ghost limb  
Hey man, say man have you been rubbin' your nub  
Por favor  
De no sacar los manos, de no sacar los manos  
Fuera de la ventana  
So cuenta es muchas dinero lo siento  
But I have got to hand it to you, you're taking this extremely well  
Ah rub it on me, rub it on me Duane  
So since the surgery, how's that ghost limb  
Hey man, say man have you been rubbin' your nub
