

There's No Other Way

Blur

You're taking the fun out of everything
And making me run when I don't want to think
You're taking the fun out of everything
I don't want to think at all There's no other way
There's no other way
All that you can do
Is watch them play You're taking the fun out of everything
You're making it clear when I don't want to think
You're taking me up when I don't want to go up anymore
I'm just watching it all There's no other way
There's no other way
All that you can do
Is watch them play There's no other way
There's no other way
All that you can do
Is watch them play I'll watch you play
I'll watch you play There's no other way
There's no other way
All that you can do
Is watch them play There's no other way
There's no other way
All that you can do
Is watch them play There's no other way
There's no other way
All that you can do
Is watch them play
