Love To Be Silly

Cat Power

Apple the sailor girl
She lived in a cabbage world
Along came Annie she pinched her fanny
Apple the sailor girl

Billy was an alley cat
Alone and so afraid
Along came tweety and there he stayed
Eating fish bones from the old fish tray

Billy lived happily ever after
Every single day
Billy and tweety
Love to be silly
Billy and tweety
Love to be silly
Billy billy billy so silly
Billy and tweety
