

I'll Always Love You

[Tito Nieves](#)

I'll always love you for the rest of my days
You have won my heart and soul with your sweet and sexy ways
You gave me hope when I needed someone near
You bring me happiness every day of the year

I'll always love you for all that you are
(All that you are)
You have made my life complete you're my lucky star
You are the one that I've been searching for
You are my everything tell me who could ask for more

And I'll always love you
Honey this will never end, No no
Need you by my side baby
You're my lover my friend

You are the one that I've been searching for
You are my everything tell me who could ask for more

Hey Baby, You're my everything

(You are my everything)
You are my everything That's why I love you

(You are my everything)
Te quiero te adoro, eres mi Ãºnico tesoro

(You are my everything)
I need you by my side
I hope you realize

(You are my everything)
Como un jardÃ­n de rosas
Vas alegrando mis cosas

(You are my everything)
You are my everything and that makes me wanna sing
