GIRLZ

Bring on the lights set the stage
In the mood to celebrate
We'll stick together through whatever hand in hand Let's live it up
Let's live it up, oh Don't need no boys to tell us no
We refuse to be controlled
We're shooting stars oh do you see us glow
We'll do what we want
Whatever we want, oh yeah Be who we are that's the motto
Doing our thing like uh oh
Showin' what we got like we won the lotto, ha! GIRLS!
Come on turn it up and sing along
Oooh!
We march to the beat of our own drums
Cos tonight we're standing out
Like diamonds in the crowd
So let's get loud
Oh Oh Oh
oooooooohh Girls!
oooooooohh Girls!
oooooooohh Girls!
oooooooohh Girls! Got no fear walk the walk
Flip your hair back n forth
Be the centre of attention let 'em know
You're the star of the show
Star of the show
Lookin' good steppin' out
No you wont break us down
Remember that you're always beautiful
You got it all, you, you got it all
You got it all, you, you got it all Be who we are that's the motto
Doing our thing like uh oh
Showin' what we got like we won the lotto, ha! GIRLS!
Come on turn it up and sing along like
Oooh!
We march to the beat of our own drum
Cos Tonight we're standing out
Like diamonds in the crowd
So lets get loud

Oh Oh Oh
ooooooooohh Girls!
ooooooooohh Girls!
ooooooooohh Girls!
ooooooooohh Girls! Oh, You know that you can't do no wrong
When you feel like dancing with us
You know you are, you know you are
Hey! hey! hey! GIRLS!
Come on turn it up and sing along
Ooooh!
We march to the beat of our own drums
Cos Tonight we're standing out
Like diamonds in the crowd
So lets get loud
Oh Oh Oh
ooooooooohh Girls!
ooooooooohh Girls!
ooooooooohh Girls!
ooooooooohh Girls!
