

Big Easy

Stephen Kellogg & the Sixers

Mmmm mm mm

Yeah

Whoa

Ay-ay ay ay

[Verse]Somebody tell me

What's going wrong

I aint seen my baby

In far too long

Somebody please tell me

What's going wrong

They say them ladies broke

And my baby's gone

Listen

It's been a couple of days

And real dark nights

I miss my only child

I aint seen her since that night

She left home about eight

And never to return

Our body's floatin' -- Floatin' into that river

[Chorus]I gotta know

What's going wrong

I aint seen my baby

In far too long

Somebody please tell me

What's going wrong

I aint seen my baby

In far too long

[Verse]I been searching all around

Day and day and night

Somebody please tell me

I need to feel somebody

So many souls crying

How could it be?

'Cuz every step I take

I can't think

_____ (?)

[Chorus]Somebody tell me

What's going wrong
I aint seen my baby
In far too long
Somebody please tell me
What's going wrong
I aint seen my baby
In far too long
Please somebody tell me
What's going wrong
I aint seen my baby
In far too long
Somebody please tell me
What's going wrong
I aint seen my baby
In far too long
Please somebody tell me
Yeah-ah
Please somebody tell me
Yeah-ah
Please somebody tell me
Yeah-ah
Please somebody tell me
Please somebody tell me!
Tell me
Please somebody tell me!
Tell me
Please somebody tell me!
Tell me
Please somebody tell me!
{Somebody tell me}
Please somebody tell me!
Come on and tell me
Please somebody tell me!
Just tell me
Please somebody tell me!
I got to know
Please somebody tell me!
I know you know
{Somebody tell me}
Somebody tell me
Oh my God
Somebody Tell me
Oh my God
