Chewing Chewing Gum

Super Furry Animals

[Gruff:]
Blowing bubbles
I've got stuff on my mind
A thought left behind, so:[Cian:]
Don't go chewing in bed
You might wake up with it stuck in your hair
[Repeat to end][Gruff:]
That's right, don't go chewing now
You might get it right stuck in your hair
[Repeat to end][Bunf:]
Chew, chew, chew, chewing gum
[Repeat to end][Dafydd:]
That's right, don't go chewing now
Aah-aah!
