

# Thinkin' About You

Trisha Yearwood

I'm not quite sure what's going on  
But all day through, and all night long  
I've been thinkin' about you  
I've been thinkin' about you The look in your eyes  
When you smile that way  
The sound of your voice  
Saying my name  
I've been thinking about you  
Just keep thinking about you This single minded fascination I've got  
Do you call it love  
If you don't then what  
All I know is I don't know what you've done  
And this train of thought ain't about to jump  
The track that it's on In the back of my mind  
There's a secret place  
But the whole world knows by the smile on my face  
That I've been thinkin' about you  
Can't stop thinkin' about you Think about you This single minded fascination I've got  
Do you call it love  
Well if you don't then what  
All I know is I don't know what you've done  
And this train of thought ain't about to jump  
The track that it's on I know it's crazy  
Calling you this late  
When the only thing I wanted to say  
Is I've been thinkin' about you  
Yeah, just keep thinkin' about you  
Oh, I can't stop thinkin' about you  
Oh, I'm always thinkin' about you  
And I do love thinkin' about you  
Yeah
