Wait for Me

Daryl Hall & John Oates

Midnight hour almost over
Time is running out for the magic pair
I know you gave the best that you have
But one more chance
Couldn't be all that hard to bearWait for me please
Wait for me
Alright, I guess
That's more than I should ask
Why won't you wait for me
Please wait for me
Although I know the light is fading fastYou could go either way
Is it easier to stay
I wonder what you'll do
When your chance rolls around
But you gotta know how much
I want to keep you
When I'm away I'm afraid
It will all fall downSo wait for me please
Wait for me
Alright, I guess
That's more than I should ask
Why won't you wait for me
Please wait for me
Although I know the light is fading fastLove is what it does
And ours is doing nothing
But all the time we spent
It must be good for something
Please forgive all the disturbance
I'm creating
But you got a lot to learn if you think
That I'm not waiting for youSo wait for me please
Wait for me
Alright, I guess
That's more than I should ask
Why won't you wait for me
Please wait for me
Although I know the light is fading fast
Yes it isWaiting
You got a lot to learn if you think

That I'm not waiting for youSo wait for me please
Wait for me
Alright, I guess
That's more than I should ask
So why won't you wait for me
Please wait for me
Although I know the light is fading fast
Yes it isYou got a lot to learn if you think
That I'm not waiting for youWait for me please
Wait for me
Alright, I guess
That's more than I should ask
So won't you wait
So won't you wait
