

# Big Booty Country Girl

Paulina Jayne

Intro Chorus.

Iâ€™m a big booty country girl  
Shake it for my man  
Do the yeehaw twirl

Rhinestone buckle  
Bullet hanging from my neck  
Hunting down a cowboy  
Baby hell yeah!

If you want it  
Boy I got it  
Step on up and show the world!

Wonâ€™t be shy now, gotta flaunt it  
Shake it for my man,  
Do the yeehaw twirl!

Big Booty Country Girl, Country Girl

Verse 1.

Friday night Iâ€™m cruisinâ€™ Broadway  
Checking out the boys in boots  
Struttinâ€™ sexy, struttinâ€™ my way  
Whatâ€™s a country girl to do!

Chorus.

Verse 2.

When you have a biggish booty  
You canâ€™t help but swing it wide  
Skinny girls get skinny snooty  
But their boys get booty eyed!

Chorus.

Bridge.

I said if you gotta big one  
Ya gotta celebrate

Ya gotta move your caboose  
And shake and bake

I said if you gotta big one  
Ya gotta celebrate

Ya gotta move your caboose  
And shake and bake

Chorus.
