

# Mouth Mantra (The Haxan Cloak Mix)

Björk

My throat was stunned  
My mouth was so numb  
Banned from making noise  
I was not hurt  
All calmly My throat feels stunned  
I was not allowed  
I was not hurt  
There is vocal sadness  
I was separated  
From what I can do  
What I'm capable of Need to break off  
These chains some day  
Do something I haven't done  
I haven't done before Vow of silence  
I'll explore the negative space  
Around my mouth  
It implodes  
Black hole With your body in  
Involunture  
Dj full in  
I am not hurt This tenor has enabled  
Thousands of sounds  
I fed this trunk  
Noise by noise by noise  
I have followed a path  
That took sacrifices  
Now I sacrifice this scar Can you call her day a  
Who's in your  
I sing along
