

Dreamin'

Weezer

I'm dreamin' in the mornin'
I'm dreamin' all through the night
And when I'm dreamin' I know that it's all right
Woo hoo hoo I'm dreamin' in the evenin'
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoo Daddy says I've gotta pay some bills
So I can learn to be responsible
Some day I'll have a family of my own
And they will need for me to be full grown But I'm dreamin' in the mornin'
I'm dreamin' all through the night
When I'm dreamin' I know that it's all right
Woo hoo hoo I'm dreamin' in the evenin'
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoo Teacher says I gotta learn some facts
So I can make it in the Widener Stacks
These are days that will define my life
I shouldn't waste them on these friends of mine But I gotta be a big boy
(Cause I really want a chance)
Woah
Gotta pick up my toys
(Cause I really want a chance) When I start to feel the feeling comin' over me
(I really want a chance)
I soon forget all about responsibility
(I really want a chance)
I walk around in a wide awake daydream
(I really want a chance)
Things are better out here than they might seem There are bluebirds in the meadows
And the bees are flying around
And the goslings at the river
At a loss so far from the ground I am running
(I am running)
Through the meadow
(Through the meadow)
And the sun is
(And the sun is)
Shining on me
(Shining on me) I am singing

(I am singing)
My voice is ringing
(My voice is ringing)
I can sing so loud
(I can sing so loud)And the angels
(And the angels)
In the heavens
(In the heavens)
They are wondering
(They are wondering)
Why am I so glad?
(Why am I so glad?)Why am I so glad?
(Why am I so glad?)
Why am I so?
(Why am I so?)
Why am I so?
(Why am I so?)I am running
(I am running)
Through the meadow
(Through the meadow)
And the sun is
(And the sun is)
Shining on me
(Shining on me)I am singing
(I am singing)
My voice is ringing
(My voice is ringing)
I can sing so loud
(I can sing so loud)And I'm dreamin' in the mornin'
I'm dreamin' all through the night
And when I'm dreamin' I know that it's all right
Woo hoo hooI'm dreamin' in the evening
I'm dreamin' all through the day
And when I'm dreamin' I know that it's okay
Woo hoo hoo(Woo hoo)
Hoa
(Woo hoo)
Hoa
(Woo hoo)
Hoa
(Woo hoo)
WoahI don't want to get with your program
I don't want to get with your program
I don't want to get with your program
Take back the love
