

New Life

Noel Robinson

I Worship And Adore You
Lyrics & Resources
Multikey Chord Chart NEW
Sung by Noel Robinson

I worship and adore you
I worship and adore you
Messiah, King of glory, Jesus

In this place, we lift you high
We call your name, be glorified
In this moment, My life I pour
Total surrender, I am yours

I give my all, without restraint
I abandon all in this place
A sacrifice I give to you
This oil I pour out before your face
