

Under the Ocean

Roman Holiday

Hope come
From under the ocean
And cover my burdens
Like a cloak

Let the door close
Shut all the windows
I just want to hear you
Without all the noise

I know I let you down
But I want to come home now

I've missed you
The way that I used
When I was a child
And you were my God

But you're so mysterious
The way you keep nearing us
Like the sound of the water
In the dark of the night

Oh I know I let you down
But I want to come home now
