

# Perfection

## Dannii Minogue

You're perfection  
(All that I Want)  
You're perfection

(Won't give you up)He was standing in the middle, but thoughts of you remain  
Everytime you leave me baby, I'm taken back againYou show me places that I've never been  
You give me love, I give you all I can!

There's no doubt 'cause it's in everything that you doChorus:

You're perfection, you're all that I want  
There's a reason I won't give you up

No, I can't lie- boy, you should know

I'm achin' inside

I'm achin' inside

You're perfection, you're all that I want

There's a reason I won't give you up

No, I can't lie- boy, don't you know

I'm achin' inside

I'm achin' inside...for youNo more fears, no more confusion when you're in my life

My mind is under no illusion

Never felt so rightYou show me places that I've never been

You give me love, I give you all I can!(Chorus)Spoken:

Boy you know you're so perfect

How can you be so damn perfect?

Boy you know you're so perfect

How can you be so damn perfect?

Boy, Boy, Boy, Boy, Boy (Perfection!)(Chorus)
